Sarah

Sarah has completed professional development programs herself with the Las Vegas Institute for Advanced Dental Studies, and regularly attends national and international courses and seminars in dental practice management and technology, such as the Greater New York Dental Conference.

[Read more...](#)

Cameron

Dr Arnold is highly regarded-by his peers and patients alike-for his extensive knowledge, advanced technical skills and his very gentle touch.

[Read more...](#)

Julie

Julie has more than 20 years' experience in patient care and practice management. She has a special interest in paedodontics and oral health education for kids. She has completed in-house training through the Las Vegas Institute for Advanced Dental Studies, and attended our Dental Hygiene Workshop. She participates in our quarterly team building and practice management workshops, and attends annual conferences such as the Australian Dental Congress.
